

Center for Healthy Births

Building Blocks for Better Babies

SPA 3 HBLC ABBREVIATED MEETING NOTES

March 21, 2005

Fair Oaks Renaissance Plaza

Meeting Objective: 1) To begin future planning for SPA 3

Chair: Geraldine Perry-Williams

Discussion: Defining Who We Are

Objective: To develop the mission of the HBLC SPA 3. Identify representatives for the HBLC Advisory Committee.

Summary: Index cards were passed out so that each member wrote down their visions and passions. Cards were then read aloud, posted on a big chart so that they were visible. With the cards, the group created five categories:

1. Client Centeredness
2. Family Health
3. Resources for Everyone
4. Community Outreach
5. Meaningful Collaboration

The group was able to form a mission:

“To promote healthy birth outcomes, through a holistic approach that incorporates community involvement, education, social support, access to services and strengthening families”.

Next Steps: Review the Mission statement.

The group will also work on the following: guiding principles, action plan, group structure, quality presentations, and agency highlights.

Next meeting is May 16, 2005 from 9 am to 12 Noon. The location will be determined by the Center.
